

## Payment on enago.de

After login to our secure software lease select the assignment you want to pay and click on the payment link "Bitte zahlen Sie jetzt".

Enago offers multiple payment options.

Starting from the German pages for all kinds of payments:

**Credit card** (Master, Visa and American Express) via Paypal:

You can process the payment as a guest or by using your Paypal account.

Please click on the respective payment option and follow the instructions of the provider.

You will be redirected to the German paypal page. For a payment as a guest, please fill in the form. Once finished, the payment will reflect in our account within 2 hours.

Payment via Bank transfer:

Your personal details have to be entered with each payment you process. You don't need any user or bank account with Micropayment AG.

**Direct Debit** (Lastschrift):

This option is available for Germany only. You will be redirected to Micropayment page, which will display the instructions in your default browser language. Please follow the instructions on the screen. After finishing the process the payment will reflect in our account within 1 hour.

**Net banking** (Onlinebanking):

You will be redirected to Micropayment page, which will display the instructions in your default browser language. Please follow the instructions on the screen. After finishing the process the payment will reflect in our account within 2 hours.

**Prepayment:** Payments from 23 countries in Europe

This payment option is for payments above 1000 Euro and for Institutes and companies, which have no option for direct online payments.

You will be redirected to Micropayment page, which will display the instructions in your default browser language. Please follow the instructions on the screen. After finishing the process you will receive an email with the transfer data on the email ID you entered. Kindly note, this payment mode will take up to 5 days till we receive the payment. The delivery date might be extended accordingly.
